

Blue River Quarter - Wed. 7:00 August 23, 1967

Blue River Quarterly, which has traditionally met right before Yearly Meeting in order to select a representative, recognizing that the meetings' only function has been omitted by the new Yearly Meeting structure, has agreed to hold regular meetings only in April and October. They agree that a special meeting can be called by clerk just before yearly meeting if need arises. It is suggested that at the Quarterly Meeting at St. Louis on October 28, 1967, the name be changed to Blue River Half-Yearly Meeting.

Spring Quarterly Meeting will be held in Urbana on April 6, 1968.
