

Minutes
Fall River Quarterly Meeting, St. Louis, Missouri
10th Month 24, 1969

The business meeting was held after a period of silent worship. Frances Day presided as clerk. The minutes of the spring meeting held in Urbana were read and approved.

The clerk asked if the suggestion from last meeting that the office of treasurer be abolished and yearly meeting treasurer be asked to assume the finances had been followed up. Apparently it had not. The meeting decided to discontinue the office of treasurer.

A nominating committee of Margaret Haworth, St. Louis, Ben Rasmussen, Urbana, and Cecil Smith, Peoria, was appointed.

The date of April 18 was selected for the spring meeting in Urbana.

Reports of the state of the society were presented by the representatives.

There was no report from the Decatur Meeting.

There was no report from the Columbia Meeting.

Elizabeth Baldwin reported for Carbondale. The report is attached.

The report from Clear Creek was read by Dorothy Ashdown. The report is attached.

The report from Peoria was made by Donna Smith. An oral report was made that the Peoria meeting has been discontinued since everyone has moved except their family. The family has been attending the Galesburg meeting. About 15 people are attending in Galesburg. It was suggested that Quarterly meeting should send a letter to the Galesburg group inviting them to join us and to attend the next quarterly meeting in Urbana. The letter is to be sent to Herbert and Jan Lotz, 220 North Chambers, Galesburg, Illinois.

Mrs. Smith reported that there have been several inquiries recently and they are planning to hold a meeting again next week to see how much serious interest there was. They were very encouraged by the response to the moratorium in Peoria.

It was also reported that there is a small group of Friends in Bloomington who are attempting to form a meeting. It was suggested that a letter be sent to John Tomlinson in Bloomington offering encouragement and assistance.

The report from St. Louis was made by Walter Bauer and the report is attached.

A second report was made by Jean Roberts from the Allowed Meeting. It is attached. The report from Urbana was made by Mahlon M. Day and it is attached.

Respectfully submitted
Barbara Stanford
Minute Clerk of St. L uis Meeting.
