

At Blue River Quarterly Meeting held at Lick Creek 4th m^o 19th 1823

The representatives being called were all present except one for whose absence a reason was rendered. The queries were read and answers thereto from the different monthly meetings by which it appears meetings are middling well attended and care is said to be taken where deficiencies in other parts appear. The friends appointed to join men in visiting friends of White Lick Creek are continued with the addition of Mary overman & Ruth Farlow and report to next meeting. —Then concludes till next in course
