Quarterly Meeting is invited to share their February Quarterly Meeting with them.

Records

\$35 to  
Mid  
west  
Institute

Invitation  
from a  
Five Year  
Group

Agreeably minded we will adjust our own day and hour of meeting to make this possible, probably to 1:00 p.m. Febr. 2 and adjourn to meet with them at 3, this being their hour for Ministry and Oversight.

Following the reading of Disciplinary Advices on Industrial Relations and the Tenth Query, came pretty full discussion of Unemployment Insurance. It is directed that a letter shall be sent to Otto C. Doering, Chairman of Gov. Horner's committee on unemployment relief, urging the need of a social welfare program adequately financed, capably administered, and based on conceptions of social responsibility. And Harold Flitcraft offers to mimeograph for use some hints in his possession, as presented here to our enlightenment.

Albert T. Mills, Clerk  
Kathryn G. Mills, Asst Clerk

Footnotes 11-10 and 11-11-34

Weather fine. Diphtheria scare centering in Magnolia prevented a Saturday evening meeting at Grange Hall There was no Sunday School. During 20 minutes of the Sunday School time Foster Heacock talked and he addressed us during 45 minutes of the meeting for worship.

At 1:40 Stina Eklund, Girls Reserve Secretary of the Decatur Y.W.C.A. was introduced for her address on Women in the World of Tomorrow, with a reference Economic. Questions and answers followed. The meeting closed with the note of sacrifice which is creative, one appropriate for Armistice Day as well as for the Mothers of us living who gave so fully and devotedly of their strength that this meeting might be worthy of our affection too.
