

To Blue River quarterly Meeting of Friends held the 28th of 5th month 1853

We of the Committee appointed to take into consideration the propriety of granting the request from Plainfield Monthly Meeting to have that meeting laid down, have conferred together and not as yet seen any way open in the light to visit them.

In the twelfth month last we address them in writing endeavouring to the best of our ability to encourage the members of that meeting, to the diligent attendance thereof, and a faithful adherence to the to the principles and discipline of the society,

believing as we do that if those principals were more closely followed there would be no necessity or or inclination to have that meeting laid down

Information has been received by a private letter that the address of the quarterly meetings committee was received, and read in that meeting, and after the reading thereof they concluded to let the monthly meeting drop, as all their meetings except the one held on first day of the week, were dropped before.

And also that they quarterly meeting might attach their rights of membership to Clear Creek Monthly meeting if they chose

Signed on behalf of the committee
