

To Blue River quarterly meeting for ministers & elders, to be held 22 of 5 mo 1885

Dear Friends,

Having been appointed by Clear Creek preparative meeting for ministers and elders, as one of its representatives, It would give me pleasure to meet with you, but circumstances are such that will prevent my attendance. Desiring that you may be nourished with Spiritual food, I ask friends to excuse me.

In the bond of love and true fellowship, I am your friend

Elizabeth Mills.
