

Blue River Quarterly meeting of women friends held the 28th of 5th month 1853.

The representatives being called were present from Blueriver none from the other Monthly Meetings at this time — for their absence satisfactory reasons were given.—

The 1st 2nd & 9th Queries were read in this Meeting & answers there to in writing from the different Monthly Meetings by which it appears meetings have all been kept up except 3 at Clear Creek. — no account from Plainfield at this time.

By the reports from Honey-Creek monthly Meeting the indulged meeting at Union is still kept up under the care of a Committee.

The Committee appointed in the 11th month last to visit Plainfield monthly Meeting produced the following report.

We the Committee appointed to take into consideration the propriety of granting the request from Plainfield Monthly Meeting to have that Meeting laid down, have conferred together & have not as yet seen any way open in the light to visit them. ——— In the 12 month last we addressd them in writing, endeavoring to the best of our ability to encourage the members of that meeting to the diligent attendance there of, & a faithful adherence to the principles & discipline of the society, beleiving as we do, that if those principles were more closely followed, there would be no necessity or inclination to have that Meeting laid down.

Information has been received by a private letter, that the address of the Quarterly Meetings Committee was received & read in that Meeting; & after a the reading there of they concluded to let the monthly M. drop, as all their meetings, except the one held on first day of the week were dropped before.

And also that the Quarterly Meeting might attach their rights of membership to Clear Creek Monthly Meeting if they chose.

Signed on behalf of the committee
